**RE: LETTER OF COMMENDATION FOR SUCCESSFUL HOSTING OF UNESCO
SUPPORTED INCENTIVIZED PILOT SCHOOLS' SEWING CHAMPIONSHIP
PROJECT 2023 (SSCP23)**

On behalf of the Federal Ministry of Education, I write to commend the Ladi Memorial Foundation (LMF) for the outstanding success of the UNESCO supported incentivized Pilot Schools' Sewing Championship Vocational Education Project 2023(SSCP23). This commendation is extended to recognize the foundation's exceptional efforts and achievements in organizing and hosting the SSCP23

2. The SSCP23, which was flagged off by the immediate past Minister of the State for Education, Honourable Goodluck Nanah Opiah, showcased the remarkable talent and creativity of students from various schools in the field of sewing. Your foundation's dedication, commitment and meticulous planning were evident throughout the project, resulting in a highly successful event.
3. The SSCP23 not only provided a platform for student to showcase their sewing skills but also contributed to the promotion of vocational education in our society. By incentivizing students and encouraging healthy competition, the LMF has played a significant role in nurturing the vocational abilities of our students and raising awareness about the importance of vocational skills.
4. In view of the above, therefore, the Federal Ministry of Education, grant the Ladi Memorial Foundation approval to scale up this initiative as a National Sewing Competition (NSC)2023 with participations of 36 States and the FCT as contained in the Project concept.
5. The courtesy visit you requested for, is tentatively slated for the week of 4th December, 2023 and we would revert on a suitable date and time.
6. Once again, congratulation on these remarkable achievements. We wish you continued success in your future endeavors.
7. Please accept the assurances of my warmest regards.
